2007 Rudderless Shiraz

This vintage was the first to combine fruit from the lower vineyard (562 vines at 2 metre spacing) and the upper vineyard (938 vines at 1.5 metre spacing). The 2007 is considered the best straight Shiraz produced from the Rudderless stable.

The nose gives a distinct dark chocolate and complex black fruit bouquet. Intense flavours and a seamless palate allowing this wine's cellaring potential to be 2018+. However it is drinking superbly at the moment and an open bottle can be enjoyed over 2 – 3 days.

89 dozen produced.
